It teaches that true happiness is derived from giving without expecting anything in return. The story encourages gratitude for the generosity of others and highlights the enduring power of love and friendship.</p>

			At the end of the story, the boy is old and needs somewhere to sit and the tree lets him use the stump; the only thing the tree has left to offer after giving him everything. "The Giving Tree" is about giving and taking. It's about love, generosity and sacrifice.
