Tuesday	Respect and reverence for others	Read the story of the Good Samaritan. Make links to the schools Christian vision – Caring and sharing as part of God’s family.
Wednesday	Respect and reverence for others	https://www.bbc.co.uk/teach/school-radio/articles/zjsx2v4 This assembly explores the question 'Who is my neighbour?' It encourages children to think about the things that they might learn from the story of <i>The Good Samaritan</i> and how our world might be a better place if everyone treated their 'neighbour' well. The story has been given a modern-day setting. <u>After the video - Time to talk</u> Use the Video questions to help recall of the events. • Are the pupils familiar with the Bible story of The Good Samaritan? How is this version of the story different from the one in the Bible? • At what point did pupils realise they were listening to a new version of the story? • What is a parable? (A simple story used to illustrate some kind of lesson) • How many people see the injured man in the road? (Three: the two women who jeer at him; the two men who don't want to get involved because 'it's someone else's problem'; finally, the 'Good Samaritan')

		• Why is the injured man surprised when the last person helps him? (He has decided - based largely on prejudice - that this figure wearing a hoodie is not going to help) Take another vote about 'Who is my neighbour?' and compare the result with the first vote. Ask the children to decide what are the most important messages from the story of The Good Samaritan. Share feedback as time allows.
