Monday	Explore Together: Jesus is the Light	Schools together at St. Giles Church, Hartington Without light it's hard to see and find the way in the dark. It's easy to get lost and go the wrong way. Darkness can make us feel nervous and afraid. Seeds need warmth to germinate and light for saplings to grow. So, light is important because it helps people to see, to find the way, to feel less afraid, and it is necessary for things to live. The Bible says that Jesus is Light. Christians believe that Jesus helps his followers to find their way in life, and his presence in their life can help them feel less afraid and alone in difficult (dark) times. Christians believe that through Jesus death and resurrection, Jesus gives eternal life to all who believe in and follow him.
Tuesday	Picture News	An opportunity to learn about weekly current affairs stories.
Wednesday	Respect and Reverence for animals	https://www.youtube.com/watch?v=gqpUt8y9ntY Show the children the video above to support them to recall who St. Francis of Assisi is. Conclude the worship with the story of 'The lamb and the Shepherd' from Animal tales from the Bible by Avril Rowlands. This is a follow-on story from last weeks story about David the shepherd boy and the importance of self respect. Today's story supports understanding of the importance of looking after and respecting all God's creatures, as St. Francis taught people to do.
Thursday	Respect and Reverence for animals	Hedgehog assembly – A follow up from our assembly in the summer about creating a local hedgehog highway. Delivered by local resident. Children to contribute with their own news about the hedgehog highway.

Friday	Celebration Worship	Children have the opportunity to share celebrations and achievements.
